### LOCAL PRIORITY

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. Our priority(s) for the next quarter is:

#### Anti Social Behaviour in Public Parks

As we should now be having nice summer days with light evenings, we have decided to dedicate more patrols to police our parks. At the present time we do not have an issue with Anti Social Behaviour within our parks and we will do what we can to ensure that the parks stay safe for all members of our community to enjoy and use when they wish. Please remember to report any Anti Social Behaviour by calling 101

In an emergency call 999

### WHAT'S BEEN HAPPENING

#### Local Priority – Rogue Traders

Since our last newsletter we have had issues with Rogue Traders operating in our area. Advice has been given as well as informing Lincolnshire Trading Standards. This area will continue to be policed and any further issues need to be reported to us via 101 or in an emergency 999. Please report, we need to be made aware of any further issues

We had a busy Queens Jubilee weekend but with no major issues and we hope everyone enjoyed themselves.

We are pleased to say that the anti social behaviour behind the Curlew Centre has reduced but please report anything new.

Your local neighbourhood policing team are always happy to help where we can.
