### LOCAL PRIORITY

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. Our priority(s) for the next quarter is:

Drugs use and supply within our area. We ask anybody with information regarding this to please let us know as only with your help can we stop this.

Our contact details are on the right. If you wish you can contact Crime Stoppers anonymously on 0800 555 111 or online at [crimestoppers-uk.org](http://crimestoppers-uk.org)

As always thank you for your help

### WHAT'S BEEN HAPPENING

Hello once again from your policing team,

We would like to say thank you to PCSO Fylippa Bennett for all her hard work on the Suttons as she has moved on and is now working in another beat area.

Our last priority was Anti-Social Behaviour in Parks and open spaces. Due to increased police presence, we have been able to keep this to a minimum.

An old Piggery in Gedney was being used by youths and anti-social behaviour had been reported. Thanks to quick actions by the owner working with the council and ourselves this location is now secure.

Graffiti had appeared in Kiln Drive, Tydd St Mary and thanks to the power company as well as the council this has now been cleaned.

The Bridge Hotel has been accessed again by youths. We are contacting the owner of the property to make them aware and secure the property.

Once again it appears that members of our community are happy to post on social media but not inform us via 101. Please call 101 to report issues to us. If we don't know we can't help.
