LOCAL PRIORITY

As you may be aware our priority for the past quarter was Drugs use and supply within our area.

Due to the success we have had as well as the positive feedback. We have decided to keep this priority until end of this month.

We ask anybody with information regarding drug use & supply to please let us know as only with your help can we stop this.

Our contact details are on the right. If you wish you can contact Crime Stoppers anonymously on 0800 555 111 or online at crimestoppers-uk.org

As always thank you for your help

WHAT'S BEEN HAPPENING

Hello once again from your policing team and Spring is around the corner,

Thank you to everybody who has let us know about drugs within our community the more information you can give us the more we can stop this problem.

This is the last month where Drugs will be a Suttons priority although it will always be near the very top of our list of things to address.

As you can see the dates of the forthcoming engagements are to the left and if you wish to let us know what you would like to see as the next priority please pop in and let us know and we will be happy to consider this.

It appears that members of our community are happy to post on social media regarding ongoing ASB and crimes and not inform us via 101. Please call 101 to report issues to us. If we don't know we can't help.

Please contact us and talk to us as only with your help can we make our community a better place to live and work.

Thank you for your positive feedback so far.
